Miss Mamie Fochetti Married

Miss Mamie Fochetti, formerly of Sonoma and Mr. Preston I. Delph of San Francisco, were married in the metropolis on New Year's day.

The bride is a daughter of Mr. and Mrs. Julius Fochetti, pioneers of this city, and is a popular and attractive young lady.

The news of the wedding comes as a surprise to her many friends in this city and valley from whom are extended best wishes for a happy and prosperous wedded life for Mr. and Mrs. Delph. After a short honeymoon trip, the happy couple will reside in San Francisco, where the groom holds a lucrative position.

Natives Enjoy a Good Time

The regular monthly meeting of Sonoma Parlor, N. S. G. W. last Monday evening, proved a very enjoyable one indeed. There was a goodly attendance of members and after the regular routine of business and election of officers, a delicious German feast was spread in the banquet hall. Brother Mike Cummings was chef de chief, and one of the most pleasing features of the spread was sauerkraut and frankfurters. Other delicacies prepared by the wives and mothers of the members added greatly to the enjoyment of the spread.

The following officers were chosen to govern the affairs of the Parlor for the ensuing year: President, Theodor Kiser; 1st Vice Carlos Emparan; 2nd Vice, Claude E. Johnson; 3rd Vice, J. H. Murray; Secretary, L. H. Green; Treasurer, Roy A. Pauli; Trustee, W. O. Hocker; Marshal, Julius Fochetti; Outside Sent., Aug Marcy; Inside Sent., Dr. Gottenberg.

Good to Know

In a welcome communication received this week from Druugist L. S. Simmons, the following information which will be of much interest to our readers, is given:

Sonoma, Jan. 1, 1909.

"EDITOR OF EXPOSITOR:

"Here is a little inside information, which the general public will probably appreciate: Since the new Pharmacy Law will not allow pharmacists to sell laudanum and oil for the relief of ear ache, it has been discovered that a little warm glycerine, when dropped into the ear, will relieve the distress quicker than the old remedy did.

"'Necessity is the mother of invention.' Very truly,

L. S. SIMMONS."

Sonoma Boy Honored

Walter Johnson, son of Mr. and Mrs. Capt. J. W. Johnson whose beautiful home is near this city, has been re elected secretary of Harbor No. 15, of the order of Masters and Pilots of the Pacific Coast. Mr. Johnson is doing well in the metropolis and stands high in the esteem of the sea-going fraternity.

A. E. Sondag, th Tailor

A. E. Sondag, the tailor, formerly of Sonoma, was in the valley this week taking orders for men's tailor-made suits. Mr. Sondag and family are temporarily located in Fruitvale, but the former expects to get permanent quarters for his tailoring establishment in the metropolis, in the near future. For many years he has enjoyed a liberal patronage from this valley and his work always gives satisfaction. Mr. Sondag will make regular weekly trips to the valley and solicits a share of he trad e. Give him a trial orde for a good suit and you'll be satisfied. ctf

Passing of a Pioneer's Daughter

Miss Maud Beeson, daughter of Henry Beeson, the only surviving member of the famous Bear Flag Party, passed away at her home in Booneville, Mendocino county, on Wednesday of last week. The beloved daughter, was a noble Christian woman, devoted to her aged father and sought in every way to make his declining years as happy and comfortable as possible. The old pioneer was greatly attached to the deceased with whom he had made his home for years. Her death was a sad blow to him and it is doubtful if he will long survive the shock.

Miss Beeson always accompanied her father whenever he went abroad; in fact, he refused to go away from home without his beloved daughter went with him. She accompanied him to Sonoma upon the occasion of the celebration here on September 9, 1908 and and also upon other similar occasions.

Marriage and Divorce Record

Sonoma county has had its ful quota of marriages during the year which has now passed into history. The permits to happiness issued by the deputies in the office of County Clerk Fred L. Wright numbered 397, As against this number of permits there were ninety divorce cases filed during the twelve months.

The register of civil action shows 285 civil cases and 290 matters filed during the year and 65 criminal cases.

Don't Take a Risk

When you have a bad cough or cold do not let it drag along until it becomes chronic bronchitis, or develops into an attack of pneumonia, but give it the attention it deserves and get rid of it. Take Chamberlain's Cough Remedy and you are sure of prompt relief. From a small beginning the sale and use of this preparation has extended to all parts of the United States and to many foreign countries. Its many remarkable cures of coughs and colds have won for it this wide reputation and extensive use. Sold by L. S. Simmons.

Moving Picture Show

Francisco Bescioni has received his moving picture machine and is now preparing Rossi's hall, El Verano for the entertainments it is his purpose to give. The machine is of the latest improved pattern of Edison's wonderful patent. Mr. Bescioni expects to be ready for business by the first of next month. Three thousand feet of pictures and two illustrated songs will be given. Frequent changes will be made in pictures and songs.

Indigestion Ends

You can eat anything your stomach craves without fear of a case of Indigestion or Dyspepsia, or that your food will ferment or sour on your stomach if you will occasionally take a little Diapepsin after eating.

Your meals will taste good, and anything you eat will be digested; nothing can ferment or turn into acid or poison or stomach gas, which causes Belching, Dizziness, a feeling of fullness after eating, Nausea, Indigestion (like a lump of lead in stomach), Biliousness, Heartburn, Waterbrash, Pain in the stomach and intestines, or other symptoms.

Headaches from the stomach are absolutely unknown where this effective remedy is used. Diapepsin really does all the work of a healthy stomach. It digests your meals when your stomach can't. Each triangle will digest all the food you can eat and leave nothing to ferment or sour.

Get a large 50-cent case of Pape's Diapepsin from your druggist and start taking today and by tomorrow you will actually brag about your strong healthy stomach, for you then can eat anything and everything you want without the slightest discomfort or misery, and every particle of impurity and Gas that ... in your sto... and i... ing to be c... t laxa...

FRIDAY, JANUARY 8, 1909.

OUR BIRTHDAY

With this issue we begin a new volume. Last Friday we were ten years old. The EXPOSITOR was started Jan 1899 as an independent paper, devoted to the development of Sonoma Valley. Such a paper was badly needed in this section and the hearty response received in the form of patronage from all classes, goes to prove that the enterprise was substantially appreciated by the citizens of our historic valley. It is with a feeling of just pride that we record the fact that Sonoma and the Valley have grown more in the last ten years than they did in thirty years before. It is generally admitted that the boosting and advertising done by the EXPOSITOR has been the most potant factor in this up building, as this paper is the only one that is unselfishly devoted to the best interests of Sonoma Valley.

The EXPOSITOR has now and has for many years far outstripped all competing newspapers in this and today enjoys the distinction g not only the best and most ive newspaper in the valley the only thorough advertis- un in this section of Imperial a. Its of common expression now that "The EXPOSITOR reaches the people whose trade you want." We take this opportunity of thanking our hundreds of patrons for their generous and unfaltering support and hope by a constant continuance of its devotion to the best interests of the city and valley and its unalterable determination to stand for the right at all times regardless of consequences. "Right mighty and will prevail" and the SONOMA VALLEY EXPOSITOR is today an established evidence of that undeniable fact.

State Legislators Meet

Sonoma County was honored by giving Assemblyman Col. L. W. Juilliard of this district the unanimous vote for Speaker of the assembly. It pays to send un ssed men of ability and standing a legislative body.

This act clearly makes Colonel ulliard the leader of the Dem- majority and by work- with the un-own Republican bers some very desirable work be accomplished in spite of the hine. Col. Juilliard can be ed upon to represent the best erest of the people at all times. He has courage and ability and can not be bluffed, bulldosed or lobbied into voting for any measure contra y to the best interests of the people.

A communication was received from O. R. Wagner, offering to insure the new city hall at a rate of 70c or $1.40 for three years. This is the rate that was offered by the Board of Underwriters to which practically all reputable companies belong. No action was taken and in the meantime the City Hall stands uninsured.

A note was received from Chas. Dal Poggetto on behalf of himself and the other bondmen of Contractor MacQuiddy, asking for a certain balance of $275 due for work and material furnished on account of new City Hall before Mr. McQuiddy gave up the contract. The matter was referred to the city attorney for adjustment.

The Clerk notified the Board that he had received a deed to the half of 5th Street West in the city limits. A letter from Supervisor Blair Hart to Trustee Breitenbach was also read and it stated that a deed to the other half of said street had been given to the county. It has always been the custom for the country to to accept and to care for a road in passable condition after it had been deeded to the county but it seems that an exception is to be made in the case of 5th Street West. One could infer from Supervisor Hart's letter that the street in question had to be re-graded and graveled by the residents thereon before it would be accepted by the county.

The City is evidently waiting for the County to act. It seems rather strange that 5th Street West should be the only high way in the country where tax-payers have to maintain for 14 years and then re-grade and gravel at their own expense before receiving the just consideration. What have the people living on that particular street ever done to deserve such a penalty?

A motion prevailed empowing the street committe to repair 1st Street East.

What the Board did not do was to receive a resignation of any kind from Justice of the Peace Small or consider the matter of non-payment of the merchants license by some of our business men.

Adjourned to meet next Monday evening.

Engagement Announced

Sonoma Valley folks will be agreeably surprised to learn of the engagement of W. F. Clewe, the well-known merchant of this city, and Miss Harriet Porcher Smith, of Santa Rosa. The bride-to-be is a beautiful and accomplished young lady and a daughter of Mrs. and the late Dr. R. Press Smith, one of the highly esteemed pioneer families of Sonoma County. She is a sister of Lesane Smith of Sonoma and Temple Smith of Santa Rosa. The intended groom is one of the most prominent business men in this city and stands high in social, fraternal and business circles. He was born and raised in Sonoma and has for years been the efficient and successful manager of the F. Clewe estate.

The date for the wedding has not been set, but it is understood the marriage will occur soon after Easter. The legion of friends of the people extend heartiest congratulations and best wishes.

Supervisors Change System

Following the suggestion contained in last week's EXPOSITOR the Board of Supervisors at their session this week changed the old careless system of auditing and paying road bills against the county, as a matter of self protection and as a safe guard to the treasury of the county.

From now on each and every man who works upon the county road or furnishes materials for the same must swear to his own individual bill, which must be audited and paid in the same manner as other bills have always been paid. This is as it should be and avoids the questionable and dangerous practice of having the Supervisors swear to everybody's road bills when in many cases they can have but a general idea as to their being absolutely correct.

Special Services

Arrangements have been made to hold a series of special services at the Congregational church to begin on Sunday morning the 17th, and continue over the following Sunday. Meetings will be held each evening of the week except Saturday and perhaps in the after noons also. They are to be conducted by Rev. F. M. Price, the pastor of the Park Congregational church of Berkeley, Cal., who will by assisted by the local pastor, Rev. Mr. Day. The attendance of the general public is most cordially invited and special effort will be made to interest and help all who come. The hour of the evening services will 7:30 o'clock.

Relief For Suffers

Chas. Dal Poggetto has been collecting this week for the sufferers of the earthquake in Italy, and has raised over $160. He will send the money already on hand to the Red Cross society at San Francisco today. The subscription list is still open and any one not called upon who desires to subscribe, can do so by calling on Mr. Dal Poggetto. The subscribers' list was brought to the EXPOSITOR office too late for publication, but will appear later.

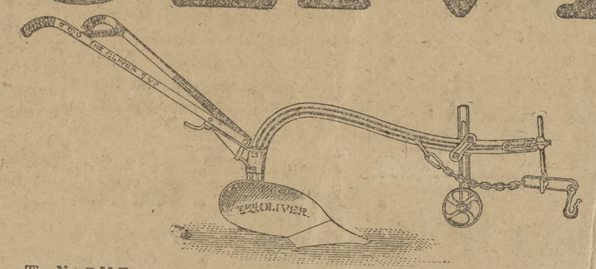
OLIVER



The No. 7-V-F steel beam plow is one of the most popular orchard and vineyard plows on the coast. Has many special adjustments which provide for plowing close up to the trees and vines without damaging them.

JUST LOOK at the Oliver Line before you buy---that's all.

We want you to have the best plow on earth for your particular purpose. We believe that plow is the OLIVER and we think we can prove it to you.

We haven't any objection though to your looking around all you choose---the OLIVER sells better by comparison than it does in any other way.

It is a plow that competition does not hurt, for when you line it up with the others it sells on its plain superiority. This season there are new designs, new features and a brand new plow for orchard and vineyard work that is a wonder.

All we ask of any man who wants a plow of any kind is that he come and see us before he buys. That isn't much---better do it now.

NATURE'S ESSENCE.

Extracted From Forest Plants.

Nature's laws are perfect if we obey them, but disease follows disobedience. Go straight to nature for the cure, to the forest; there are mysteries here that we can fathom for you. Take the bark of the black-cherry tree, the root of mandrake, stone root, queen's root, bloodroot and golden seal root, make a scientific, non-alcoholic extract of them with just the right proportions and you have Dr. Pierce's Golden Medical Discovery.

It took Dr. Pierce, with the assistance of two learned chemists, eight years of hard work experimenting to make this vegetable extract and alterative of the greatest efficiency.

Just the sort of remedy you need to make rich, red blood, and cure that lassitude and feeling of nerve exhaustion. Dr. Pierce's Golden Medical Discovery bears the stamp of PUBLIC APPROVAL and has sold more largely in the past forty years than any other blood purifier and stomach tonic. The refreshing influence of this extract is like Nature's influence—the blood is purified and enriched—the vital fires of the body burn brighter and their increased activity consumes the tissue rubbish which has accumulated in the system. Doctor R. V. Pierce, the founder of the Invalids' Hotel and Surgical Institute, Buffalo, N.Y., and a physician of large experience and practice first to make up a ... of native medicinal roots, ... PARTICLE OF ALCOHOL, which ... the blood and tones up the stomach and the entire system in Nature's way. The "Golden Medical Discovery" is just the tissue builder and tonic you require when recovering from a hard cold, grip, pneumonia, or from a debilitating fever. No matter how strong the constitution the stomach is apt to get "out of kilter" now and then, and in consequence the blood is disordered, for the stomach is the laboratory for the constant manufacture of blood. Dr. Pierce's Golden Medical Discovery strengthens the stomach—puts it in shape to make pure, rich blood—helps the liver and kidneys to expel the poisons from the body, and so cures liver and kidney troubles. If you take this NATURAL BLOOD PURIFIER AND NERVE TONIC you will assist your system in manufacturing each day a pint of rich, arterial blood, that is invigorating to the brain and nerves. The weak, nervous, run-down, debilitated condition which over-worked people experience is usually the effect of poisons in the blood; it is often indicated by pimples or boils appearing on the skin, the face becomes thin—you feel "blue." Dr. Pierce's Golden Medical Discovery *cures* all blood humors as well as being a tonic that makes one vigorous, strong and forceful. Dr. Pierce's Golden Medical Discovery STANDS ALONE as the one medicine for stomach, liver and blood disorders that has the ingredients printed upon the wrapper of every bottle leaving the great laboratory at Buffalo, N. Y., which *cures* in Nature's own way; not only does it STAND ALONE in respect to its ingredients being known, but also as the only tonic and restorative which absolutely contains *no alcohol*.

"I was taken with a severe cough, weakness in my back, a glimmer over the eyes, had a bad breath, and stomach was out of order," writes H. Gaddis, of 1423 South Tanna Avenue, Tacoma, Wash. "I felt sluggish, did not care for anything, had no life, it was almost misery to move, appetite very poor. I read Dr. Pierce's Common Sense Medical Adviser and went right away and purchased two bottles of his 'Golden Medical Discovery,' and before I had taken all of one bottle I felt better. If any doubt the truth of this testimonial they may write to me."

Pierce's Pleasant Pellets cure bad, foul stomach and constipation and so *help* to cure nearly every disease of mankind. They regulate, tone up and invigorate Stomach, Liver and Bowels.

Lame Shoulder

This is a common form of muscular rheumatism. No internal treatment is needed. Apply Chamberlain's Liniment freely twice a day and a quick cure is certain. This liniment has proven especially valuable for muscular and chronic rheumatism, and is sure to give quick relief. Chamberlain's Liniment is also most excellent for sprains and bruises. Price 25 cents; large size 50 cents. For sale by L. S. Simmons.

Rheumatism Receipe

A well-known authority on Rheumatism gives the following valuable, though simple and harmless, prescription, which any one can easily prepare at home:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

Mix by shaking well in a bottle, and take a teaspoonful after each meal and at bedtime.

He states that the ingredients can be obtained from any good prescription pharmacy at small cost, and, being of vegetable extraction, are harmless to take.

This pleasant mixture, if taken regularly for a few days, is said to overcome almost any case of Rheumatism. The pain swelling, if any, diminishes with each dose, until permanent results are obtained, and without injurying the stomach. While there are many so-called Rheumatism remedies, patent medicines, etc., some of which do give relief, few really give permanent results, and the above will, no doubt, be greatly appreciated by many suffers here at this time.

Stomach Trouble Cured

If you have any trouble with your stomach you should take Chamberlain's Stomach and Liver Tablets. Mr. J. P. The State of North Carolina is on of the most notable in the union for the production of gems, particularly diamonds, emeralds, rubies, aquamarines, beryls, hiddenite, rhodolite, amethysts and remarkable rock chystals. These gems have been found mainly in the course of mining operation, although a few systematic searches for them have been made and two companies are now engaged exclusively in such work.

The Pure Food Law

Secretary Wilson says: "One of the objects of the law is to inform the consumer of the presence of certain harmful drugs in medicines." The law requires that the amount of chloroform, opium, morphine, and other habit forming drugs be stated on the label of each bottle. The manufacturers of Chamberlain's Cough Remedy have always claimed that their remedy did not contain any of these drugs, and the truth of this claim is now fully proven, as no mention of them is made on the label. This remedy is not only one of the safest, but one of the best in use for coughs, and colds. Its value has been proven beyond question during the many years it has been in general use. For sale by L. S. Simmons.

THE FIGHT FOR FAME.

Man's Heroic Effort to Clutch the Priceless Jewel.

His way was in a bloody lane where clanking caissons splashed along, his goal the line where blazing guns laughed out their song of death. On, on, on he went. His ears were filled with sounds of quick commands, bugle blasts, discordant drums. No fluttering fear was in his heart, no thought of home, no specter of the dread despair that waited at the hearth if he never came again. To him there was no terror in the saber's flashing blade, no warning in the bullet's deadly hiss. Youth trod all reason underfoot; ambition saw all glory overhead. On, on he went to woo and win his bride, the priceless jewel—fame!

Another in a garret sighed for fame. Crusts were his portion and his raiment only rags. Hermit-like he toiled alone, nor cold nor hunger ever daunted him. He marshaled all his hosts, and visions came and went. On, on he toiled. In the snowflakes that drifted in and touched his hands he read a message from the world without, all white, all cheerless. Still as a chrysalis his fancy wove and spun and made its garments wondrous, then burst in splendor on a waiting world.

Both fought the fight, each in his way, one for a heroic shape of bronze, one for a speechless marble face, each for the epitaph, that all the ages in the dust of time might know "he did and died."—Wade Mountfortt in Era Magazine.

YOUR UMBRELLA.

A Simple and Effective Method of Marking It.

Name plates on the handle seldom assist in the recovery of even borrowed, to say nothing of lost, umbrellas. But there is a way by which you may so mark your umbrellas that the finders and borrowers thereof will be reminded of your name and address every time they stealthily sally forth with your umbrella over their heads. Make a paste of cornstarch with water; brush over the inner surface of the umbrella where you wish to have your initials or your name in full, either with or without your street address. When this paste is dry paint your name on the cornstarch, using pure white lead. Let the paint dry thoroughly; rub a stiffish brush over the whitened surface until the cornstarch is removed.

You will thereupon find the white letters of your name standing forth immaculately against the black background of your umbrella cover. The cornstarch paste is applied to keep the oils of the paint from penetrating the umbrella cover and showing on the outer side. As it is, no unsightly grease spots come through. Your name is fixed and if painted near the tip it will be unobtrusive to you, though a constant reminder to the borrower or finder.—Scientific American.

An Error In Geography.

On one occasion the British lost a point in their war with Russia by reason of an error in their geography. This was when Commodore Elliot had succeeded in blockading the Russian fleet in the gulf of Saghalin, on the east coast of Siberia. The Russians were in a cul-de-sac, and the British ships waited contentedly for such time as the enemy should venture to put to sea. But they waited in vain, and at last an investigation was made. It was found that the Russian fleet had vanished. While the British commodore waited at the south end of the gulf, the Russian ships slipped away through the shallows at the north end into the sea of Okhotsk. Until this discovery was made the British government had believed Saghalin to be a peninsula. Now, too late, they learned that it was an island, with a very narrow channel at the north end of the gulf running into the sea of Okhotsk.—New York Tribune.

Hay on Church Floor.

A curious custom is annually observed at Old Neston church on St. Swithin's day. The church is dedicated to St. Swithin, and on festival day the church is strewn with hay. Many years ago some donor left a field to provide money for bread which is distributed four times a year. The tenant of the field has to supply the hay to strew the church. The custom is supposed to have orginated from the fact that on festival Sunday the parishioners wear new boots, and the idea of the donor was to have the hay laid down to stop the squeaking incidental to new footwear.—London Standard.

Trustee Wagnon Arrested

John D. Wagnon, city trustee of Sonoma, was arrested last Monday by Constable Joseph F. Ryan, on a charge of resisting an officer. The warrant was sworn out by one Elmer Luce, game keeper for the Santa Rosa Gun Club at Merazzo, on the marshes below town. It seems that Mr. Wagnon and his son, Hamil, were riding in their boat on one of the tide water streams in the marshes when they were accosted by Luce who claimed that they were hunting on the club's preserves and ordered them off, and at the same time threatening Mr. Wagnon with arrest and transportation to Santa Rosa township. Mr. Wagnon told the officer that he would submit to arrest and furnish transportation to the nearest justice of the peace, but would not go to Santa Rosa. Luce subsequently went to the county seat and swore out a warrant in Justice Atchinson's court charging Mr. Wagnon with resisting an officer. Upon being arrested, Mr. Wagnon was taken before Justice Small of this city and released on paying $100 cash bail. Tuesday morning he went to Santa Rosa and appeared before Justice Atchinson and plead not guilty. There was no prosecuting attorney present and no time has been set for the trial.

The whole case is somewhat strange and a number of questions naturally present themselves at this time; for instance:

1. Can an American citizen carrying the necessary license, hunt on the tide waters of this State?

2. Can you resist an officer without resisting him?

3. Is it lawful for a constable in one township to appoint a deputy to serve in another township?

Mr. Wagnon stated in court that he would be ready for trial at any time.

Foresters Banquet

The local lodge of the Ancient Order of Foresters, after their regular session last night partook of a banquet at the Toscano Hotel. A number of invited guests were present to enjoy the feast with the brethren. Mine Host Ciucci, who enjoys the reputation of giving swell suppers, distinguished himself last night by furnishing the swellest of "swell feeds." It would be easier to enumerate what was not on the menu than was. Everything tasted good for Ciucci knows how to prepare all edibles to the queen's taste. The price was $1.50 per plate and those who were fortunate enough to be present were loud in their praises of the feast.

Fighting Pear Blight

Country Horticultural Commissioner Newcomb accompanied by W. S. Ballard of the United States Department of Agriculture were in this valley this week on a tour of inspection. While here they found time to pay the EXPOSITOR a pleasant visit. They informed us that they had appointed as orchard inspectors for this district to assist inspector Will Dunn the following well known fruit raisers: Harry Shaw, Lowell Bros, and Will Clements. The chief work of these inspectors will be to hunt for and eradicate any pear blight found in this section. The inspectors named are authorized by law to inspect all orchards in their section and order all affected trees to be destroyed as that is the only known remedy for the blight which invariably kills the trees in a short time. One affected tree if not removed will in time give the disease to the entire orchard which of course will die.

It is hoped and believed that the orchardists of the valley will heartily co-operate with the inspectors to prevent this dread disease from getting a foothold in this fair valley of ours.

Want Better Transportation

A correspondent to the Santa Rosa Press-Democrat writes:

"Bennet Valley, January 4.—An electric line from Santa Rosa through Bennet Valley to deep water is a necessary enterprise to the proper building up of this section, and there is water force enough going to waste down the Graham Canyon to furnish all the electric power necessary to energise such a proposition. The present facilities for the residents of Sonoma Valley and the people living down that way of reaching the county seat are very inadequate. When you come to think of it they are entitled to better transportation service. An electric line through this valley is the proper solution of this question."

So say we all of us.

It is authoritatively stated that G. J. Armstrong of Sebastopol will resign his office to take effect Feb. 6 1909. A true bill was recently found against him by the Grand Jury of this County. It is also stated that the two civil suits against Supervisor Armstrong will be dropped and he will pay into the county the amount it is claimed was unlawfully obtained from the county by means of stuffed road bills. It is generally believed that Mr Armstrong did not profit a cent from the stuffed bills of his road-masters.

THE HALE Clearance Sale starts on Monday, January 11th, and as usual you will find the best values at Hale's. The tons of merchandise shipped annually to our seven stores, **gives us a buying advantage not equalled by any firm on the Pacific Coast,** and not surpassed by any in the country. The success of the Hale Stores is due to policies which were established many, many years ago. One of these policies was **Never to permit any other store to undersell us.** This rule has been always lived up to and whether you see the article advertised by us or not, you will always find our prices as low or lower than others—generally lower.

The New Year promises well—every sign points to a busy and prosperous year for all. The Hale store promises better values, lower prices whenever possible, and a continuance of policies that have made **HALE'S** a household word throughout California.
